DETAILED ACTION

Information Disclosure Statement

The information referred to in the information disclosure statement filed January 21, 2004.

Priority

Acknowledgment is made of applicant's claim for foreign priority based on an application filed in Taiwan on December 5, 2003. It is noted, however, that applicant has not filed a certified copy of the application as required by 35 U.S.C. 119(b).

Drawings

The drawings are objected to as failing to comply with 37 CFR 1.84(p)(5) because they include the following reference sign(s) not mentioned in the description: "74". A proposed drawing correction, corrected drawings, or amendment to the specification to add the reference sign(s) in the description, are required in reply to the Office action to avoid abandonment of the application. The objection to the drawings will not be held in abeyance.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1-14 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In claim 1, "the head end of a seat" lacks proper antecedent basis. In line 2 of claim 1, Applicant includes an acronym enclosed in parentheses. Subject matter other than reference numerals should not be parenthesized. Similarly note claims 5 and 12. In line 3 of claim 1, "the sitting area" lacks proper antecedent basis. In claim 3, "the matrix" lacks proper antecedent basis. In line 4 of claim 12, "the sitting area" lacks proper antecedent basis. Claims 2, 4, 6-10, 13 and 14 are indefinite since each depends from an indefinite claim.

Allowable Subject Matter

Claims 2-11, 13 and 14 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Claims 1 and 12 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.
